Ways to Practice Rhyming:

Complete the sentence. This one is sure to cause some serious giggles. Start a sentence, but replace the last word with something that rhymes with the correct word, such as, "On my head, I wear a cat." Have your child guess the correct word, in this case, "hat." Take turns, and be prepared for some silliness. (Taken from <http://www.life123.com/parenting/young-children/family-activities/rhyming-activities.shtml#STS=fzg4a93f.9t4>)
